The Georgian Range garden shed are a superb building with the very best fittings available throughout. These garden sheds also feature 6'00" high eaves allowing better head room and a higher door, most competitors eaves are very low making it difficult to stand up inside their buildings. The roof is supplied with heavy duty Green Mineral felt. These sheds include a well braced Mortice and Tenoned heavy duty door. The windows are glazed. If you take the tanalised (pressure treated) option, then you can be assured of a maintenance free shed. Also included are antique handles and hinges, joiner made 9 pane opening windows along with joiner made doors.

ALL OUR HEAVY DUTY 16mm LOG LAP THAT IS HIGHLIGHTED INCLUDES:
